

Machine Tool/CNC Operator

Malco Products, SBC offers you a great employment opportunity. As the nation's leading manufacturer of specialty precision hand tools for the HVAC industry, Malco is seeking a multi-talented individual at our DeWitt, NE facility. Qualifications and duties of the Machine Tool/CNC Operator include:

- Set-up and run CNC and non-CNC machines
- Read engineering drawings and ensure parts meet the drawing
- Inspect parts using measuring instruments to ensure conformance with inspection procedures
- Transfer parts to maintain accurate inventory records
- High school diploma or GED
- Two years related manufacturing experience

We offer a flexible benefits program where you can pick and choose many options in our plan. We are a 100% owned Employee Stock Ownership Plan (ESOP) company where all employees are shareholders of company stock. Along with the excellent starting wage and benefits program, we have a clean, safe working environment.

To apply, please print and complete an application found at malcotools.com and mail, fax or email to:
