

## Tooling Engineer

Malco Products, SBC offers you a great employment opportunity. As the nation's leading manufacturer of specialty precision hand tools for the HVAC industry, Malco is seeking a multi-talented individual at our DeWitt, NE facility. Qualifications and duties of the Tooling Engineer include:

- Investigate production problems and recommend solutions
- Assist with costing of tooling
- Input drafting and design into CAD system
- Four-year degree with two years in a technical engineering field and 0-2 years experience

We offer a flexible benefits program where you can pick and choose many options in our plan. We are a 100% owned Employee Stock Ownership Plan (ESOP) company where all employees are shareholders of company stock. Along with the excellent starting wage and benefits program, we have a clean, safe working environment.

To apply, please print and complete an application found at [malcotools.com](http://malcotools.com) and mail, fax or email to:
